

Business in Difficult Times?

Small Business Success Series CD's are a must!

Operating a Business in these difficult times is challenging enough without the added burden of issue after issue. The Small Business Success Series CD's are a proven tool that has provided assistance to many of David's Clients.

David Wilson Business Coach (see profile below) has delivered this program face to face with countless Businesses in 2008 and now it is available to you at this difficult time. This CD is a summary of what you don't know you don't know.

David has developed this Audio CD (to play in the car) that will pass on to you the Business Owner what is required to get you through the following months.

Business Success Series 1 - what is included?

A compilation audio CD combining 4 of David Wilson's most popular titles into 1 CD:

- | | |
|-----------------------------------|-----------------------|
| 1. Handling Adversity | 3. Creating the Brand |
| 2. Best Practice Customer Service | 4. Pricing |
